Destination Florence, Italy

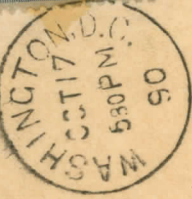

Two covers **from the same correspondence**. A double rate cover to Florence, Italy . This cover was franked with five cents additional postage using the blue colored Garfield definitive stamp of 1888. Recall this stamp was first issued in 1882 to commemorate the assassination of John Garfield and printed in brown at the request of his surviving widow. It was then printed a second time, this time colored blue to conform to the UPU color convention.
