These are the so-called "Wood Blocks". The plates were made locally and composed of clichés mounted on wood.

CAPE OF GOOD HOPE

SCOTT #4

This stamp, the Four Pence blue issued in 1855, is the most common of the classic Cape of Good Hope triangles.

Cover with single Scott #4. Note that the stamp is affixed to the cover with two sides parallel to the edges of the envelope. On most covers these triangles were used in this position.
