My Dear Ann, This is to say that we all wish you a Happy Birthday. I'm afraid the aeroplane will not bring it to you before July 12th but the good wishes will be with you all the same - 5 yrs old - you will be quite a big girl - able to do lots of things for yourself. Helen & I have had cold weather - snow, a sheet & frost, but there is still a good deal of sun here, & the Spring flowers are coming out - primroses & jonquils, & some pretty heath & heathers that are in our garden. Mary & I want to go skating - hope to go about your birthday. Give our love to everyone. Dad & Mother, Helen & Betty & Grandma & Grandpa - from Grandpa & Grandma here & the Aunties & your little cousins Elizabeth & John - we are all well & hope you are - we sent a parcel to Betty - had her letter of May 11th - Grandma

My dear Aunt Georgina
I was so very sorry & disappointed on receiving your letter a few days ago to find you had not been receiving mine & could understand why. I have written several during that time. You may still receive the two I've written since then, when I look back on dear Mother & my own dear husband the next day. There is not room for explaining here, but should you not receive those letters, I'll write you all particulars again by an ordinary letter. This is evidently the only air mail letter that we can send from here, so for news in brief. Oliver's husband is safely back fit & well, & we are all well now. Alice also is home & quite well & we are so thankful. I'm sending Lucas & as do rather like for ordinary postings to you & I'll wish you much happiness this time & I'll wish you a long letter soon. Oliver has received a letter from Mary & I'll wish you a long letter soon. I'll wish you a long letter soon.
