I did not get your greeting until last
evening but found it stopped off at
San Francisco. Was pleased to hear
from you and to learn you were both
well. His leaves off 0:15 got to the
Capital last night at 10:50. We go out
to see Ringling Bros circus today.
We are going to the fair tomorrow.
I hope to see something good at the
state will be represented. Stopped
off at Fresno on our way up and
got all the prints we could for I
mailed Grant a souvenir yesterday.
Hope he will get some. Love to
his folks. Love you.

The Temple of Heaven has been the Place of Worship for the Imperial Family of China for generations past. To-day, under the new regime, it is neglected and unkempt children play on its steps and degrade its interior. This card was obtained by our traveling representative, who is doing a large business for us in the Orient in leather belting, lacing, etc., of our manufacture. Note that this card is stamped and post-marked at Peking.

Dearest mother! -
Aug. 16, 1921.

I just received the package which you sent me of my things today. I'll tell you that I was surely glad to get them, and my middy-limee and Edward's letters. I don't know what we will do today. I am having fun. I come out pretty good on my money, but I wish you could send me some more. As much as you can. With love, Bertha
