EXPERTISE

MEXICO 4 R. 1861 used 1868.

The registered coverfront with a 4 R. CHIAPAS without district name with blue Cancellation COMITAN is genuine in all respects. As Comitán had no registration-Cancel, the note was written carefully in manuscript CERTIFICADO PARA COMITAN, dated July 20, 1868.

The 1868 use of the issue 1861 in Chiapas is scarce, a registration coverfront in this quality is an outstanding rarity.
