Dear Goodness
and Goodies:

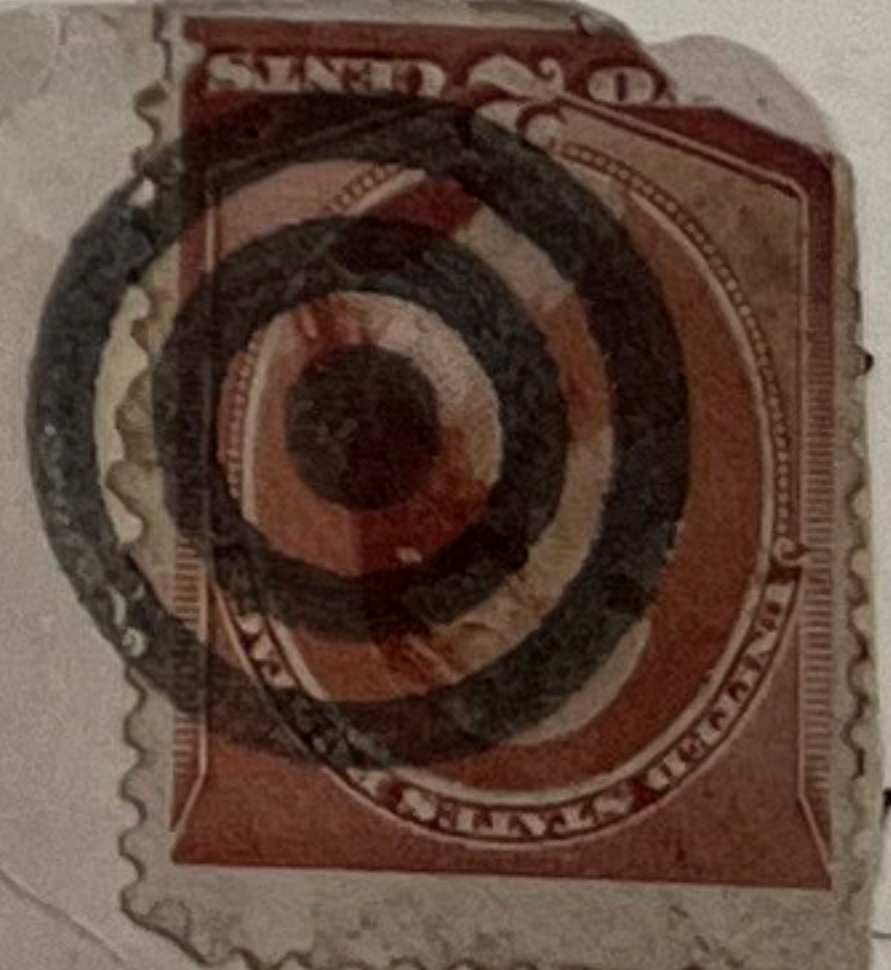

We will arrive at Dover, Penn., at about supper time where we will remain until the cherry returns from Nashville. We had intended to go to N., then stop on our return but we could not do it - nor could we make connection with the Penn. River boats without being away from home too long. We will view every landmark of interest and if the showing is good will probably work up a trip down here even if we have to postpone the

Nashville, Paducah and Cairo U. S. Mail Steamer.

Leaves Nashville Tuesday at 4 P. M.
Leaves Paducah Every Saturday at 10 A. M.
Leaves Cairo Friday at 10 A. M.
